I am free until 2 tomorrow.

I agree the flyover was awesome and should be shared. It may be a bit rushed on Wed morning, but it could work. Everyone gets there at 8, we do intros, video and leave for the bus? 8:45 would be better for a pickup time, agreed. Is that enough time for the afternoon presentation?

Michael,

CPG would like to have a call to debrief on the CAG meeting. Are you ok with me offering time tomorrow?

At Friday's modeling meeting, Rob gave us an overview of the aerial flyover they created. Have I mentioned how excited I am about this? ☺ I think it would be helpful to do the flyover with folks before we head out on the site tour.

Rob is looking to confirm when the bus should pick us up. The flyover will be about 10-12 min. When we include introductions that should put us at 30 minutes, but maybe its safer to have the bus pick us up at 8:45am?

Diane – let me know your thoughts too!

Can we schedule that post-CAG debrief call that was discussed?

Do you want an 0830 pick up at 290 Broadway as discussed on Friday?

Thanks
